

Japa-Yajna Sadhana Shibir (7th) **(For initiated devotees of The Ramakrishna Order only)**

Sri Ramakrishna Dev often used to say, three things are necessary for God realization: - company of holy men (sadhu sang), repeating the name of God and solitude.

Due to our commitments and responsibilities in our day to day busy life, we do not get sufficient opportunities to perform intense spiritual practices.

Keeping this in view, Vadodara Centre has organized a 5 days 'Japa-Yajna Sadhana Shibir' at Nikora. Besides Japa, there will be Vedic – chanting, bhajans, reading from holy books, discourses by monks etc.

As Sri Maa Sarada Devi used to say 'Japat Siddhi, Japat Siddhi, Japat Siddhi', a special emphasis will be given on performing Japa.

We hope, by the grace of God, all the participants will certainly be benefited by this Shibir.
